

Top 10 Benefits

(of Appointing Greens Consultancy)

You can receive the following;

1. Make more money (by winning contracts with professionally produced documents)
2. Quick turnaround (you get complicated safety documents in as little as 48 hours)
3. Peace of mind and reduced stress (knowing you've done the right thing to protect your employees)
4. Legal appointment, sharing responsibility (in plain English, you can rely on us to sort it for you).
5. No tie in (flexible packages to meet your changing needs)
6. Save lost working days from reducing risks (the UK average is 1 lost day per person per year)
7. Increased efficiency and productivity (the safest way, is often the quickest, smoothest and cheapest)
8. Simplified safety solutions (you can choose from a suite of tried and tested compliant solutions)
9. Protection from legal issues (avoiding investigations, fees, formal notices, prosecutions, fines or prison)
10. Increased workplace morale (your team will feel and perform better, knowing they're looked after)
